

Transmission & Distribution – An Overview

The role of T&D Division is to:

- To assess financial requirements of Power Utilities in the country in T&D sector
- To appraise and sanction T&D Schemes posed to REC for financing.
- To monitor T&D Schemes (Physical as well as Financial monitoring)
- To evaluate impact of T&D schemes

The T&D programme has so far been the single major contributor to the business of REC. The sanctions and disbursements under T&D during the last five years are as follows:

Status of Sanction and Disbursement of T&D Division during last 5 years (Amount in Rs. Crore)

Year	Sanction	Disbursement
2003-04	5117	3599
2004-05	3592	3198
2005-06	5769	2733
2006-07	14204	4419
2007-08	15033	6662
2008-09	16037	6687
