RGVY - Quality Monitoring on behalf of REC Ltd.

INVITATION FOR BIDS

Rural Electrification Corporation Limited
(A Govt. of India Enterprise)
Core-4, SCOPE Complex
New Delhi – 110 003

INVITATION FOR BIDS

Quality Monitoring works on behalf of REC Ltd. for the RGGVY Projects in 11th Plan.

- 1.0 Rural Electrification Corporation Ltd. (REC), the nodal agency for implementation of RGGVY projects, a national program for electrification of all villages and rural households, invites bids from the prospective domestic bidders for taking up Quality Monitoring (on behalf of REC) of district based RGGVY projects in various states.
- 1.1 Bidders are expected to examine all instructions, forms, terms and specifications in the Bid documents and fully inform themselves as to all the conditions and matters which may in any way affect the scope of work or the cost thereof. All the bids shall be prepared in line with the instructions given in this Invitation for Bids.
- 2.0 QUALIFYING REQUIREMENTS: The qualifying requirements for the bidders are given at Annexure-A to the Terms and Conditions. The stated requirements are a minimum and REC reserves the right to request for any additional information and also reserves the right to reject the bid of any Bidder, if in the opinion of REC, the qualification data is incomplete or the Bidder is found not qualified to satisfactorily perform the Contract.
- 3.0 CONTENTS OF BIDDING DOCUMENTS: The following shall constitute the Bidding Documents.
 - i. Invitation for Bids
 - ii. Terms and conditions of Contract (Vol-I)
 - iii. Bid Proposal sheets Including the Deviation Schedules (Vol-IA)
 - iv. Technical Specifications (Vol-II)
- 4.0 CLARIFICATIONS ON THE BIDDING DOCUMENTS: If the prospective Bidder finds discrepancies or omissions, in specifications and documents or is in doubt as to the true meaning of any part, they shall at once make a request, in writing, for an interpretation/ clarification, to REC in triplicate. REC, then, will issue interpretation(s) and clarification(s) as it may think fit in writing. After receipt of such interpretation(s) and clarification(s), the Bidder may submit their bid but within the time and date as specified in the Invitation to Bid. All such interpretations and clarifications shall form a part of the Bidding Document and shall accompany the Bidder's bid. A prospective Bidder requiring any clarification on Bidding Document may notify REC in writing. REC will respond in writing to any request for such clarification of the Bidding Document which it receives not later than fifteen (15) days prior to the deadline for submission of bids prescribed by REC. Written copies of REC's response (including an explanation of the query but without identifying its source) will be sent to all prospective Bidders who have received the Bidding Document. Verbal clarification and information given by REC or its employee(s) or their representative(s) shall not in any way be binding on REC.
- 5.0 AMENDMENT TO BIDDING DOCUMENTS: At any time prior to the deadline for submission of bids, REC may, for any reason, whether at its own initiative or

in response to a clarification requested by a prospective Bidder, modify the Bidding Document by amendment (s). The amendment will be notified in writing or by Fax or by e-mail to all prospective Bidders, who have received the Bidding Document at the address contained in the letter of request from the Bidders for issue of Bidding Document. REC will bear no responsibility or liability arising out of non-receipt of the same in time or otherwise. Such amendments, clarifications, etc, shall be binding on the Bidders and will be given due consideration by the Bidders while they submit their bids and invariably enclose such documents as a part of the bid.

- 6.0 PREPARATION OF BIDS: It will be imperative on each Bidder to fully inform himself of all local conditions and factors which may have any effect on the execution of the Contract covered under these documents and specifications. REC shall not entertain any request for clarifications from the Bidders, regarding such local conditions. It must be understood and agreed that such factors have properly been investigated and considered while submitting the bids. No claim for financial adjustment to the Contract awarded under these specifications and documents will be entertained by REC. Neither any change in the time schedule of the Contract nor any financial adjustments arising thereof shall be permitted by REC, which are based on the lack of such clear information or its effect on the cost of the Works to the Bidder. The Bidder shall bear all costs and expenses associated with preparation and submission of its bid including post-bid discussions, technical and other presentations etc, and REC will in no case be responsible or liable for those costs, regardless of the conduct or outcome of the bidding process. Failure to furnish all information required by the Bid document or submission of a Bid not substantially responsive to the Bid document in every respect will be at the Bidder's risk and may result in the rejection of the bid.
- 7.0 SCOPE OF THE PROPOSAL: The scope of the Proposal shall be on the basis of a single Bidder's responsibility, completely covering all the activities specified under the accompanying Technical Specifications in line with the terms and conditions under the bidding documents. The bidders are required to present along with the bid their proposed methodology for execution of the work as per specifications and details of expertise & facilities including hardware, software available with them.
- 8.0 DEVIATIONS FROM THE BIDDING DOCUMENTS: Unless brought out clearly, the offer from the bidders shall be deemed to conform strictly to bidding documents. All deviations (technical & Commercial) from the specifications shall be clearly brought out in the schedule of deviations. Any discrepancy between the specification and the bid, unless clearly brought out in the Deviation Schedule along with the cost compensation for withdrawal of such deviation, will not be considered a valid deviation.
- 9.0 BID PRICE: Bidders shall quote for the scope of work in Indian Rupees as per bid proposal sheets (BPS). The rates shall be offered for REC Quality Monitors in each state separately. The bid shall be submitted in the prescribed format of the BPS, furnishing the price quoted state wise. The details of project costs and the coverage of number of districts/villages, Number of BPL connections, new and augmentation of 33/11 kV substations are enclosed state wise for information of the bidders Annexure-A. The prices quoted shall be firm & shall not be affected

by any change in awarded cost of turnkey contract or by any change in sanctioned cost. For the purpose of unit rates for inspection services, electrified villages, un-electrified villages (including habitations) & substations shall be treated at par. These unit rates shall be considered for modification of contract price in case of any change in the number of villages or substations during the currency of the contract.

- 9.1 The prices that are quoted and indicated in the BPS shall include inter-alia, all costs such as cost of engaging personnel, cost towards tools, tours & travel that may be required for successful completion of the work as per Technical Specifications, Vol.-II including cost of site arrangement, overheads, insurance, whatsoever, as stipulated in the bidding documents for the total scope of work. No claim on account of any taxes, duties and levies or any interest therein shall be entertained by REC.
- 9.2 Taxes & Duties: The quoted bid price shall include all taxes, duties and levies, but excluding Service tax and surcharge thereon. REC shall pay the service tax at applicable rates along with each invoice. Also, the bidders shall have valid Service Tax Registration and ensure deposit of Service tax to the tax authorities.
- 9.3 BID GUARANTEE: (to be submitted by the bidder in a separate sealed cover)
The bidder shall furnish, as part of its bid, a Bid Guarantee in a separate sealed envelope for an amount of Rs. ____ (2% of the quoted price) in any of the following forms :-
- a. Crossed Bank Demand Draft/ Banker's Cheque drawn in favour of REC Limited payable at New Delhi from any Public Sector Banks, reputed commercial Bank like ICICI & IDBI etc. or financial institutions like IFCI.
- OR**
- b. An irrevocable Bank Guarantee in the prescribed Format of REC Limited from any Public Sector Banks, reputed commercial Bank like ICICI & IDBI etc. or financial institutions like IFCI operative for thirty days after the validity of the offer as per the format enclosed as **Annexure-B** to this Volume. The Bid Guarantee shall be valid for a period of minimum 210 days from the date of opening of bids.
- 9.4 Any Bid not accompanied with the requisite bid guarantee in a separate sealed cover shall not be opened and shall be returned to the bidder without being opened.
- 9.5 The bid guarantee submitted by the bidders shall be returned to the unsuccessful bidders without any interest, upon placement of award on the successful bidder.
- 9.6 CPSUs, Govt. Utilities, Govt. Technical Educational Institutions (IITs, NITs etc.), Govt. Bodies, and RECPDCL are exempted from submission of Bid Guarantee. However, in the event these entities becoming successful bidders, Security Deposit (2% of award cost) shall be submitted upon receipt of award.

10.0 VALIDITY OF BID

The validity of submitted offer shall be minimum 180 days from the date of opening of bids.

11.0 PRICES AND PRICE ADJUSTMENT:

- 11.1 Prices for works covered under the scope shall be furnished by the bidder in the manner specified in the bid proposal sheets, (Volume IA). Bidders shall quote the price State wise. Bidder has to quote for at least two State or more, for the complete scope of work of Tier II as REC Quality Monitor as stated in Technical Specifications, Volume-II. Bids submitted without covering full state shall be

- rejected. However, the educational institutions may quote for few projects/districts in a state.
- 11.2 Prices quoted by the bidder shall be firm during currency of the contract and not subject to variation on any account, whatsoever.
- 11.3 Bids submitted with an adjustable price quotation will be treated as non-responsive and rejected.
- 12.0 SUBMISSION OF BIDS:
- 12.1 The Bidder shall prepare three copies of the bid, clearly marking each bid as “Original Bid” or “Copy of bid”, as appropriate. In the event of any discrepancy between them, the original shall govern.
- 12.2 The original and all copies of the bid shall be typed or written in indelible ink and shall be signed by the Bidder or a person or persons duly authorized to bind the Bidder to the Contract. The letter of authorization shall be indicated by written Power-of-Attorney/ Authorization Letter accompanying the bid. All pages of the bid, except for un-amended printed literature, shall be initialed by the person or persons signing the bid. The entire bid document shall be signed on all pages and submitted at the time of bidding.
- 12.3 The Bidders must submit the qualifying data in three copies, as required in a separate envelope sealed and enclosed in the envelope submitting Proposals, super-scribed as under:
“QUALIFYING REQUIREMENTS FOR UNDERTAKING RQM WORKS”
- 12.4 The bid shall contain no interlineations, erasures or overwriting except as necessary to correct errors made by the Bidder, in which case such corrections shall be initialed by the person or persons signing the bid.
- 13.0 SIGNING OF THE BIDS:
- 13.1 The bid must contain the name, registered office and place of business of the person or persons submitting the bid and must be signed and sealed by the Bidder with his usual signature. The names of all persons signing should also be typed or printed below the signature.
- 13.2 Bid by a partnership firm must be furnished with full names of all partners and be signed with the partnership name, followed by the signature(s) and designation(s) of the authorized partner(s) or other authorized representative(s).
- 13.3 Bids by Corporation/Company must be signed with the legal name of the Corporation/Company by the President, Managing Director or by the Secretary or other person or persons authorized to bid on behalf of such Corporation/Company in the matter.
- 13.4 Satisfactory evidence of authority of the person signing on behalf of the Bidder shall be furnished with the bid.
- 13.5 The Bidder’s name stated on the Proposal shall be the exact legal name of the firm.
- 13.6 Bids not conforming to the above requirements of signing may be disqualified.
- 13.7 In case an associate is proposed, the role of the associate shall be clearly defined in the bid & the bid shall be jointly signed by both, the main bidder & the associate.
- 14.0 SEALING AND MARKING OF BIDS: The Bidders shall seal the original and each copy of the bid in an inner and an outer envelope, duly marking the envelopes as “Original” and “Copy”.
The inner and outer envelopes shall be:

- a. Addressed to REC at the following address:
GM(QC)
Rural Electrification Corporation Ltd.,
Core-4, SCOPE Complex,
7, Lodi Road,
New Delhi-110 003.
 - b. Bear the name of the package: **“PROPOSAL FOR QUALITY MONITORING WORKS UNDER RGGVY”**, and the words **“DO NOT OPEN BEFORE 30.6.08”**
- 14.1 The inner envelope shall indicate the name and address of the Bidder to enable the bid to be returned unopened in case it is declared “late” or “rejected”. If the outer envelope is not sealed and marked as required above, REC will assume no responsibility for the bid’s misplacement or premature opening.
- 15.0 DEADLINE FOR SUBMISSION OF BIDS & OPENING
- 15.1 The Bidders have the option of sending the bid by registered post or submitting the bid in person. Bids submitted by Fax/e-mail will not be accepted. No request from any Bidder to REC for collection of the Proposals from airlines, cargo agents etc. shall be entertained by REC.
- 15.2 Bids must be received by REC at the address specified under para 13.0, not later than time: 11.00 a.m. & date: 30.6.08. The bids shall be opened on the same day at time: 11.00 a.m. in public and in the presence of the participating bidders.
- 15.3 REC may, at its discretion, extend this deadline for the submission of bids by amending the Bidding Documents, in which case all rights and obligations of REC and Bidders subject to previous deadline will thereafter be subject to the deadline as extended.
- 16.0 LATE BIDS
- 16.1 Any bid received after the time & date fixed or extended for submission of bids prescribed by REC, will be rejected and/or returned unopened to the Bidder.
- 17.0 MODIFICATION AND WITHDRAWAL OF BIDS
- 17.1 The Bidder may modify or withdraw its bid after the bid’s submission provided that written notice of the modification or withdrawal is received by REC prior to the deadline prescribed for submission of bids.
- 17.2 The Bidder’s modification or withdrawal notice shall be prepared, sealed, marked and despatched in accordance with the provisions of Clause 12.0.
- 17.3 No bid shall be modified subsequent to the deadline for submission of bids.
- 17.4 No bid may be withdrawn in the interval between the deadline for submission of bids and the expiration of the period of bid validity specified by the Bidder on the Bid Form. Withdrawal/modification of a bid during this interval may result in the forfeiture of bid security/ bid guarantee.
- 18.0 OPENING OF BIDS
- 18.1 REC will open bids in the presence of Bidders’ representatives (upto 2 persons) who choose to attend at the date and time for opening of bids The Bidders’ representatives who are present, shall sign in a register evidencing their attendance.
- 18.2 The Bidders’ names, bid prices, modifications, bid withdrawals and the presence or absence of the requisite bid guarantee and such other details as REC, at its

discretion, may consider appropriate will be announced during bid opening. No electronic recording devices will be permitted during bid opening.

19.0 CLARIFICATION OF BIDS: To assist in the examination, evaluation and comparison of bids, REC may, at its discretion, ask the Bidder for a clarification of its bid. The request for clarification and the response shall be in writing and no change in the price or substance of the bid shall be sought, offered or permitted.

20.0 PRELIMINARY EXAMINATION

20.1 REC will examine the bids to determine whether they are complete, whether any computational errors have been made, whether the documents have been properly signed, and whether the bids are generally in order. If there is a discrepancy between words and figures, the amount in words will prevail. If the Bidder does not accept the correction of the errors as above, his Bid will be rejected and the amount of Bid guarantee forfeited. In case of any inconsistency in the prices furnished in the specified price schedules to be identified in Bid Form for this purpose, REC shall be entitled to consider the highest price for the purpose of evaluation and for the purpose of award of the Contract use the lowest of the prices in these schedules.

20.2 A bid determined as not substantially responsive will be rejected by REC and may not subsequently be made responsive by the Bidder by correction of the non-conformity.

20.3 REC may waive any minor informality or non-conformity or irregularity in a bid, which does not constitute a material deviation, provided such waiver does not prejudice or affect the relative ranking of any Bidder.

21.0 EVALUATION AND COMPARISON OF BIDS

21.1 The bids/ offers submitted by the bidders, who meet the technical and financial criteria as indicated in the Qualifying Requirements, only will be taken up for evaluation. For evaluation purpose, the total bid price (including taxes, duties & levies) will be considered State wise. The cost compensations indicated against the deviations both Technical & Commercial shall be considered during the evaluation in order to bring the all offers to a uniform level.

21.2 The award to L-1 bidder shall be considered State wise on the basis of the most competitive price offered.

21.3 REC reserves the right to assess the ability and capability of the bidder to perform the assignment. **In the interest of the project to meet the schedules, in case REC considers necessary, REC may split the job of one state & award the same to two or more bidders at the price of L1 evaluated bidder.**

21.4 REC reserves the right to reject any offer in full or in part or to split the total work and award the work in smaller packages to more than one bidder. Smallest unit of award shall be one district.

22.0 AWARD CRITERIA

22.1 REC will award the Contract to the successful Bidder, whose bid has been determined to be substantially responsive and has been determined as the lowest evaluated bid, provided further that the Bidder is determined to be qualified to perform the Contract satisfactorily. REC shall be the sole judge in this regard. Further, REC reserves the right to award separate Contracts to two or more parties in line with the terms and conditions specified in the accompanying Technical Specifications.

- 22.2 Prior to the expiration of the period of bid validity and extended validity period, if any, REC will notify the successful Bidder in writing by registered letter/ courier or by telegram or fax, to be confirmed in writing by registered letter, that its bid has been accepted. The notification of award will constitute the formation of the Contract.
- 23.0 Letter of Award
REC along with notification to the successful Bidder that its bid has been accepted, and will send the Bidder the detailed Letter of Award, incorporating all agreements between the parties. Within 15 days of receipt of the detailed Letter of Award, the successful Bidder shall sign and date the same and return it to REC.
- 24.0 Transferability of the Invitation for Bids & Bid documents: The Bid documents are made available by REC in the company's website. The same can be downloaded for the purpose of preparatory works. However, the bidders are requested to use the authenticated bid documents for submitting their bids.
- 25.0 Bidders shall sign and seal all the pages of the bid document along with the Bid Proposal Sheets and submit the same at the time of submitting bid.
- 26.0 Pre bid meeting with the prospective bidders is scheduled on 16.6.08 at 11.00 a.m.. All the bidders are requested to attend the pre-bid meeting.

VOLUME-I

RGVY - Quality Monitoring on behalf of REC Ltd.

TERMS AND CONDITIONS OF CONTRACT

Rural Electrification Corporation Limited
(A Govt. of India Enterprise)
Core-4, SCOPE Complex
New Delhi – 110 003

TERMS & CONDITIONS OF CONTRACT

1.0 GENERAL INFORMATION

- 1.1 Rural Electrification Corporation Limited (A Govt. of India Enterprise), with its registered Head Office at Core-4, SCOPE Complex, Lodi Road, New Delhi-110003 (hereinafter referred to as 'REC') is to engage an agency for Quality Monitoring of village electrification works including Rural Electricity Distribution backbone & household electrification under Rajiv Gandhi Grameen Vidutikaran Yojna (Name of the work).
- 1.2 The requirements, conditions stated in this Terms & Conditions of the Contract (Volume-I), Bid Proposal Sheets including Deviation Schedules (Volume-IA) & Technical Specifications (Volume-II) shall be applicable and shall be considered as if bound together and shall hence forth be referred to as Bidding Documents. In case of any discrepancy between the provisions of this Volume-I and other Volumes/schedules, the provisions of this volume shall prevail.

2.0 SCOPE OF WORK

- 2.1 Three-tier quality monitoring is envisaged for the RGGVY projects in the 11th plan. The three levels of Quality monitoring shall be Third Party Quality Monitors on behalf of implementing agency, REC Quality Monitors on behalf of REC, and National Quality Monitors on behalf of MOP. The detailed Scope of Work under various levels is specified in Quality Manual forming a part of Technical Specifications, Vol.-II. The offers shall be submitted for REC Quality Monitors (for 2nd tier) separately for each State.
- 2.2 The scope of work to be performed by the contractor under the contract shall include inspections at manufacturers' works, quality of execution at site, checking of BOQ at site & any other responsibility under 2nd tier quality control functions in line with the Quality Control Manual as defined in Technical Specifications, Vol.-II.
- 2.3 All necessary tools and tackles shall be arranged and transported to sites associated with the above scope of work by the contractor at his own cost and expenses.
- 2.4 Insurance such as workman insurance, insurance of tools and tackles or any other insurance more specifically needed as per law, shall be arranged by the contractor at his own cost and expenses.
 - 2.4.1 The contractor at his cost shall arrange, secure and maintain all insurance against all perils as may be pertinent to the works and obligatory in terms of laws. The responsibility to maintain adequate insurance coverage at all times during the period of the contract shall be of the contractor alone. The contractor's failure in this regard shall not relieve him of any of his contractual responsibilities and obligations.

2.4.2 All costs on account of Insurance liabilities covered under the contract will be on contractor's account and will be included in Contract Price.

2.5 Anything not specifically stated in various documents forming part of the contract but which are necessary for completion of the works shall be deemed to have been included in the scope. All such materials and components shall be arranged and transported by the contractor at his cost and expenses.

2.6 **Sub-Contracting & Associates:** The work, either full or in part, shall not be sub-contracted at any point of time during the currency of the contract. However, bidders may propose their associate (not more than one) at the time of bidding. In case an associate is proposed, the role of the associate shall be clearly defined in the bid. The main bidder shall necessarily be required to meet the Technical Qualification requirements. REC will consider the combined capability of both the main bidder and his associate, in evaluating the bids for Qualifying Requirements. The payments for the works completed will be released to the main contractor. However, both the main contractor and its associate shall be jointly and severally responsible for completion of the complete scope of work covered under the contract.

3.0 QUALIFYING REQUIREMENTS FOR THE BIDDERS:

The qualifying requirements for bidders are given in Annexure-A to this Terms and Conditions of Contract.

4.0 SECURITY DEPOSIT:

For the Successful bidder the bid guarantee (incase BG is submitted) shall be released upon acceptance of the Letter of Award and upon submission of the Security Deposit in the form of DD. In case the bid guarantee is submitted in the form of DD and is equivalent to the 2% of the Award value the same shall be converted as Security Deposit. If there is any gap between 2% of award value and Bid Guarantee submitted in the form of DD the same shall be deposited by the contractor, in case of excess, REC shall return the excess amount over and above the 2% value. The security deposit shall be submitted by the Contractor within 30 days from placement of the LOA. In the event of failure to comply this, REC shall hold the equivalent amount from the first payment that falls due for payment to the Contractor.

5.0 RELEASE OF SECURITY DEPOSIT:

The security deposit submitted by the successful bidder shall be returned within 30 days upon completion of Scope of work, submission of the Final Report and acceptance of the same by the Head of QC, REC, New Delhi.

6.0 TERMS OF PAYMENT:

The payment for the performance of the contract will be made by REC as per the conditions specified hereunder:

- 6.1 Progressive payments in a state shall be released Project/District wise. Progressive payments shall be released upon completion of visits to village/ substation and manufacturers' premises as follows.
- i) On completion of 80% of the villages and sub stations inspection in Stage-I, submission of reports, and upon recommendation by the Officer In Charge and certification by the Head of QC of REC, 20 % of the contract price for material inspection & village inspection shall be released.
 - ii) On completion of 80% of the material inspection at manufacturers' premises, submission of reports, and upon certification by the Head of QC, 10% of the Contract price for material inspection & village inspection shall be released.
 - iii) On completion of inspection for 50% of the villages, sub stations and BPL connections in Stage-II, completion of balance Stage-I inspections including substations & material inspections at manufacturers' premises and submission of reports, and upon recommendation by the Officer In Charge and certification by the Head of QC, 30 % of the Contract price for material inspection & village inspection shall be released.
 - iv) On completion of 90% of the village inspection including substations in Stage-II, and submission of reports, and upon recommendation by the Officer In Charge and certification by the Head of QC, 25 % of the Contract price for material inspection & village inspection shall be released.
 - v) On completion of balance inspections in Stage-II and completion of the scope and submission of final report to Head of QC, final 15% of the Contract price for material inspection & village inspection shall be released.
 - vi) In the event of actual number of villages sanctioned in the project getting modified due to the site conditions during the actual execution, the contract price shall be modified proportionately. For the purpose of modification of contract price, unit prices for inspection of villages as quoted by the bidder in BPS shall be applicable.
 - vii) For revisits of villages to verify the rectifications as per instructions of the officer in-charge of REC, 100% payment shall be released after submission of reports, upon recommendation by the Officer In Charge and certification by the Head of QC. This payment shall be released alongwith any stage payments specified as above.
 - viii) For any miscellaneous job/visit as per instructions of officer in-charge of REC, 100% payment shall be released after submission of reports, and upon recommendation by the Officer In Charge and certification by the Head of QC. This payment shall be released alongwith any stage payments specified as above.
- 6.2 The Officer-In-charge for the Material Inspections and Village/ Substation/Line inspections shall be Head of QC and the CPM of REC of the Concerned State respectively. All the claims for progressive payments shall be submitted by the contractor to the concerned Officer In Charge of REC.
- 6.3 REC shall take all necessary measures to release the payment to the contractors within 15 working days from the receipt of proper claim by the Officer-In Charge. All the payments to the contractors shall be released through electronic transfer. The successful bidder shall have to open and maintain suitable accounts for electronic transfer.

6.4 Statutory deductions like Income Tax, Corporate Tax etc. are deducted at source. Necessary certification shall be issued by REC for the amounts deducted at source. The bidders shall have valid Permanent Account Number issued by Income Tax Authorities.

7.0 WORK SCHEDULE:

7.1 The schedule of completion of works by the Supply & Erection contractor (turnkey contractor) of the RE Project is 18 months from the date of award. The Inspection services shall be provided during manufacturing of the materials and also during the course of site works as advised by the officer in-charge of REC.

7.2 In the event, site works by the main contractor getting delayed beyond 18 months, the inspection services shall be extended without any extra cost to REC up to 24 months from the date of award of this Inspection Services Contract. For the work done beyond 24 months period, an additional 10% shall be payable on the balance work done.

7.3 Effective date of commencement of this contract shall be considered project/district-wise w.e.f. date of award of this contract or date of award of the turn-key contract whichever is later.

8.0 DAMAGES FOR NON-COMPLIANCE, REMEDIES FOR NON-PERFORMANCE AND FRAUDULENT PRACTICES:

8.1 No payment is eligible for the unattended inspection calls.

8.2 Non-compliance to the inspection calls or any or all acts that hamper the quality assurance of supplies & execution of works as per the defined quality plans shall be treated as non-performance. REC reserves the right to terminate the contract in case of repeated non-performance by the contractor and with forfeiture of the available securities with REC. The Engineer in-charge shall have discretion to judge the non-performance and act accordingly.

8.3 For reasons which may include unsatisfactory performance of the Services, false reporting during the currency of the contract, or the contractor resorting to unacceptable or unlawful and fraudulent practices either during bidding or during execution of the contract, or for any other reason whatsoever, REC may at its discretion may terminate the Contract and/ or forbid the contractor from participating in any future bidding process for a specified period of time. A fifteen days prior written notice shall be served to the contractor for termination. The balance works shall be executed at the risk and cost of the contractor.

8.4 **INTEGRITY OF QUALITY MONITORS:** The personnel engaged by the Contractor for the Quality Monitoring works on behalf of REC are required to submit the factual status with an unbiased report of site works and material quality. It shall be the responsibility of the Contractor to ensure that the personnel of highest integrity level are engaged for quality monitoring works. In this regard, the Contractor shall furnish an affidavit/ undertaking to REC, that personnel engaged do not have any pending vigilance cases or already proven corrupt charges against them in their past career & that there is no doubt on their integrity.

The Contractor shall obtain necessary affidavit from the personnel engaged, about their integrity/vigilance history/ background. The contractor shall submit a copy of the same to the respective Officer in Charge of REC whenever sought by REC.

Requisite formats for furnishing the affidavit by the Contractor and Professionals shall be given by REC at the time of placement of Award.

8.5 Inspection calls- The officer-in-charge of REC shall raise inspections calls for inspection of village/sub station through email or fax or letter. The contractor shall attend the said inspection call within a period of 7 days from the date of receipt of the inspection call. In the event of Inspecting Agency/Contractor failing to complete the inspection within 7days, the following damages shall be applicable:

- a) The inspection call is attended from 8th to 14th day from the receipt of inspection call, Rs. 2000/- for the each delayed visit shall be deducted from the bills.
- b) In case the inspection call is attended after 14th day from the date of receipt of inspection, Rs. 4000/- for the each delayed visit shall be deducted from the bills.

9.0 QUANTITY VARIATION:

REC reserves the right to increase or decrease the quantity of works and services (within the same state) up to 25% (Twenty Five Percent) value of the total contract price, without any change in Unit Prices or other terms and conditions. Suitable Amendment/ Communications shall be issued by REC in the event of variation in the quantities. This quantity variation can be exercised by REC in projects falling in States other than the allocated State to the contractor, with mutual consent on same unit price. For the purpose of modification of contract price, unit prices for inspection of villages as quoted by the bidder in BPS shall be applicable.

10.0 USE OF CONTRACT DOCUMENTS AND OTHER INFORMATION

10.1 Bidder/contractor shall keep all the knowledge and information (which is not within the public domain), which may be acquired during the carrying out of this assignment, strictly confidential for all time and for all purpose. All final reports and other documents or software submitted by the bidder in the performance of the Services shall become and remain the property of REC.

10.2 The Contractor shall not, without REC's prior written consent, disclose the Contract, or any provision thereof, or any specification, plan, drawing, pattern, sample or information furnished by or on behalf of REC in connection therewith, to any person other than a person employed by the Contractor in the performance of the Contract. Disclosure to any such employed person shall be made in confidence and shall extend only so far as may be necessary for the purpose of such performance.

10.3 The Contractor shall not, without REC's prior written consent, make use of any document or information enumerated in various Contract documents except for the purpose of performing the Contract.

10.4 The Contractor shall not communicate or use in advertising, publicity, sales releases or in any other medium, photographs or other reproduction of the Works under this Contract, or descriptions of the site, dimensions, quantity, quality or

other information, concerning the works unless prior written permission has been obtained from the REC.

10.5 Any document, other than the Contract itself, enumerated in various Contract documents shall remain the property of REC and shall be returned (in all copies) to REC on completion of the Contractor's performance under the Contract if so required by REC.

10.5 Bidder/Contractor shall keep confidential and shall not, without the consent of REC, which shall not be unreasonably withheld, divulge or part off to any third party any documents, data or other information in connection with this assignment except where such information are of public domain or required under the statute or Law.

11.0 SETTLEMENT OF DISPUTES AND ARBITRATION:

Except where otherwise provided in the Contract, all the questions and disputes relating to the meaning and instructions under this contract herein before mentioned and as to the quality of work as to any other question, claim, right, matter or thing whatsoever is any way arising out of or relating to the Contract or the execution or failure to execute the same whether arising during the progress of the work or after the completion or abandonment thereof shall be referred to the sole arbitrator- to be appointed by CMD, REC. The Arbitration proceedings will proceed under Arbitration and Conciliation Act 1996. The award of the sole Arbitrator shall be final, conclusive and binding on both the parties. Notwithstanding anything any dispute between the parties, the contractor shall not be entitled to withhold, delay or defer his obligations under the contract and same shall be carried out strictly in accordance with the terms and conditions of contract. The Venue of arbitration shall be New Delhi. During Arbitration proceedings, neither of the parties will be entitled to interest pendente lite.

12.0 LAWS & JURISDICTION OF CONTRACT:

The laws applicable to the Contract shall be the laws in force in India. The courts of New Delhi shall have exclusive jurisdiction in all matters arising under the contract.

13.0 STATUTORY REQUIREMENTS:

- a) The contractor is liable to extend the benefits as provided under the employee ESI Act, Payment of Wages Act, Payment of Bonus Act, Contract Labour (Regulation & Abolition Act), Minimum Wages Act, Motor & Transport Act, Workmen Compensation Act and any other relevant Acts applicable to the establishment. The rates to be quoted shall be inclusive of meeting all such statutory obligations.
- b) The contractor shall also take group insurance for the personnel engaged by him. The rates quoted shall be inclusive of meeting all such statutory obligations and Group Insurance payments.

14.0 CONTRACTOR'S DEFAULT:

In the event the bidder withdraws or alters his bid within the bid validity period or fails to honor the letter of Award in the event of decision of the tender in their favour, than the Bid Guarantee submitted shall be forfeited. Further if the contractor fails to execute the contract in the event of placement of award in their favour, then

the contract shall be terminated by REC forfeiting the Bid Guarantee submitted by the contractor. In the event the Employer (REC) terminates the contract due to contractor's default, the contractor will be liable to pay to REC for any additional costs incurred for procuring such similar services for the work got done from other agencies.

15.0 FORCE MAJURE

15.1 Force majeure is herein defined as any cause which is beyond the control of the Contractor or REC as the case may be, which they could not foresee or with a reasonable amount of diligence could not have foreseen and which substantially affects the performance of the Contract, such as:

- a. Natural phenomena, including but not limited to floods, droughts, earthquakes and epidemics;
- b. Acts of any Government, domestic or foreign, including but not limited to war, declared or undeclared, priorities, guarantees, embargoes.

Provided either party shall within fifteen (15) days from the occurrence of such a cause notify the other in writing of such causes, alongwith proof of such occurrences.

15.2 The Contractor or REC shall not be liable for delays in performing its obligations resulting from any force majeure cause as referred to and/or defined above. The date of completion will, subject to hereinafter provided, be extended by a reasonable time at the sole discretion of REC.

16.0 SUSPENSION OR DELETION OF WORK:

REC reserves the right to suspend or delete the work included in the scope of this contract at any time during the contract period and the decision of the Officer-in-Charge of REC shall be final and binding on you. The payment shall be made on pro-rata basis for the work actually done and approved by the Officer -in-Charge.

17.0 CONTRACTOR'S SITE OFFICE, ESTABLISHMENT AND SAFETY

The Contractor shall establish a Site Office and keep posted an authorized representative for the purpose of the Contract. Any written order or instruction or e-mail of the REC Officer or his duly authorised representative, shall be communicated to the said authorised resident representative of the Contractor and the same shall be deemed to have been communicated to the Contractor at his legal address. The contractor shall provide suitable communication facilities (mobile phones etc.) to all his engineers. In order to meet extensive travel needs, the contractor shall ensure vehicles to all his engineers for effective working. The vehicles engaged by the contractor shall be covered under comprehensive insurance. The contractor shall provide the necessary safety gadgets (like electrical safety shoes, gloves, helmets, belts etc.. as pr requirement) to the staff engaged by him for inspection services.

18.0 MAN-POWER REPORT

18.1 The Contractor shall also submit to the Officer-in-charge, on the first day of every quarter, a manpower report of the previous quarter detailing the number of persons

scheduled to have been employed and actually employed, skill-wise and the areas of employment of such manpower.

19.0 COORDINATION WITH CONTRACTORS OF IMPLEMENTING AGENCIES.

The Contractor shall agree to co-ordinate with the Contractors of the Implementing agencies, who are primarily responsible for execution of the works.

20.0 MANNER OF EXECUTION OF CONTRACT

20.1 REC, after the issue of the Letter of Award to the Contractor, will send one copy of the final agreement to the Contractor for his scrutiny and approval. Proforma of agreement is enclosed at Annexure -B.

20.2 The Agreement, unless otherwise agreed to, shall be signed within 15 days of the acceptance of the Letter of Award, at the office of REC on a date and time to be mutually agreed. The Contractor shall provide for signing of the Contract, appropriate power of attorney and other requisite materials. In case the Contract is to be signed beyond the stipulated time, the Bid Guarantee submitted with the Proposal will have to be extended accordingly.

20.3 The Agreement will be signed for awards of value more than Rs. 10 lakhs in four originals and the Contractor shall be provided with one signed original and the rest will be retained by REC.

20.4 For the awards of value less than Rs. 10 Lakhs the LOA signed by the authorized signatories of both REC and Contractor will be treated as an agreement.

21.0 ENFORCEMENT OF TERMS

21.1 The failure of either party to enforce at any time any of the provisions of this Contract or any rights in respect thereto or to exercise any option therein provided, shall in no way be construed to be a waiver of such provisions, rights or options or in anyway to affect the validity of the Contract. The exercise by either party of any of its rights herein shall not preclude or prejudice either party from exercising the same or any other right it may have under the Contract.

22.0 COMPLETION OF CONTRACT

22.1 Unless otherwise terminated under the provisions of any other relevant clauses, this Contract shall be deemed to have been completed on completion of the Scope of work and submission of all the reports and release of final payments.

QUALIFYING REQUIREMENTS

1.0 QUALIFICATION OF THE BIDDER FOR EACH PACKAGE:

Qualification of Bidder will be based on meeting the minimum pass/fail criteria specified in cl. 1.1 below regarding the Bidder's technical experience and financial position as demonstrated by the Bidder's responses in the corresponding Bid Schedules. The bidder shall also be required to furnish the information specified in cl. 1.2 in their Bid.

Notwithstanding anything stated here in above, REC reserves the right to assess the capacity and capability of the bidder, should the circumstances warrant such assessment in an overall interest of REC. REC reserves the right to waive minor deviations if they do not materially affect the capability of the Bidder to perform the contract.

1.1 QUALIFICATION REQUIREMENTS

1.1.1 TECHNICAL QUALIFICATION REQUIREMENTS

i) Bidders are expected to meet the following Qualification Criteria and shall furnish adequate form, statements and documentary evidence/certificates in proof of the same:

- They should be a registered legal entity.
- Bidder shall have adequately qualified and experienced engineers with capability of executing such type of assignments. For each state, the project in charge shall be a graduate engineer with at least 15 years of post qualification experience and shall be assisted by at least five engineers with at least 5 years post qualification experience in the field of construction/supervision of construction or inspection of electric power distribution/ transmission system O&M.

• It is necessary that the bidder should have experience for :

Consultancy work for supervision of execution of electric power distribution/ transmission projects.

OR

Govt. owned Discoms/SEB's/Power Departments/ CPSUs having separate quality control divisions

OR

Reputed Organizations involved in Quality Control/ Inspection / testing of power distribution/ transmission infrastructure

The bidder shall submit experience certificates from the owners for the works completed by them in the past in support of the above requirements.

- The Bidder has to submit relevant documents to support the credentials, experience, turnover etc.

Utilities/ CPSUs shall not be engaged as REC Quality monitors in the following cases:

- i.) State Utilities in their own state
- ii) For the projects where they are the implementing agencies or have been engaged as TPIA or NQM.

1.1.2 FINANCIAL QUALIFICATION REQUIREMENTS:

- i. Min. annual turnover of Rs.10 cr. in any of the last three years.
- ii. Min. cumulative turnover of Rs. 40 cr. in last five years.

The turnover shall be considered as on 31st March of the concerned financial year.

1.1.3 In order to encourage participation of independent organizations like Govt. Technical Educational Institutions (IITs, NITs etc.), RECPDCL & Govt. Bodies shall stand pre-qualified and certain concessions are granted.

The concessions include allotment of a few districts in any State depending on the assessment of their capability by REC. These agencies are allowed to quote for a few Districts or a part of a State (minimum one district). In this regard, REC reserves the right to select few districts in any State and off-load the same from any State based package that is put for bidding.

1.1.4 Bidders may propose their associate (not more than one) at the time of bidding. In case an associate is proposed, the role of the associate shall be clearly defined in the bid & the bid shall be jointly signed by both, the main bidder & the associate. The main bidder shall necessarily be required to meet the Technical Qualification requirements. REC will consider the combined capability of both the main bidder and his associate, in evaluating the bids for Qualifying Requirements.

1.2 The bidder shall furnish following documents/details with its bid:

- Documentary evidence/certificates as a proof of meeting the QR.
- The complete annual reports together with Audited statement of accounts of the firm company for last three years (separate), immediately preceding the date of submission of bid.

1.3 Bidders who do not meet the above criteria shall not be evaluated further in the bidding process. A Bidder shall be disqualified if it is determined by REC at any stage of bidding process that the Bidder has made misleading or false representation in the form, statements and attachments in the proof of the qualification requirements. The bidders shall also be disqualified if it fails to continue to satisfy the Qualifying Criteria during any stage of the evaluation process. Supplementary information or documentation regarding qualifications may be sought from the Bidders at any time and must be so provided within a reasonable time frame as stipulated by the Client.

1.4 LITIGATION HISTORY:

The bidder should provide detailed information on any litigation or arbitration arising out of contracts completed or under execution by it over the last five years. A consistent history of awards involving litigation against the Bidder may result in rejection of Bid.

**PROFORMA OF 'AGREEMENT' (for single bidder only)
(To be executed on non-judicial stamp paper)**

This Agreement made this day of,two thousand between REC, a company incorporated under the Companies Act, 1956, having its Registered Office at ----- (hereinafter referred to as the 'REC' which expression shall include its administrators, successors, executors and permitted assigns) of the one part and M/s....., a company incorporated under the Companies Act, 1956 having its Registered Office at Institution/ Firm/ [hereinafter referred to as the 'Contractor' or "X" (name of the Contracting Co.) which expression shall include its administrators, successors, executors and permitted assigns] of the other part.

WHEREAS REC desirous of Quality Monitoring associated with RGGVY invited bids for (briefly describe scope of work) against its Bid Specification No.

AND WHEREAS "X" had participated in the above referred bidding vide their Proposal No. dated and awarded the Contract to "X" on terms and conditions of the documents referred to therein, which have been acknowledged by "X" resulting into a "Contract".

NOW THEREFORE THIS DEED WITNESSETH AS UNDER: -

1.0 Article

1.1 Award of Contract

----- has awarded the Contract to "X" for the work of..... on the terms and conditions contained in its Letter of Award No. dated and the documents referred to therein. The award has taken effect from aforesaid Letter of Award. The terms and expressions used in this Agreement shall have the same meaning as are assigned to them in the 'Contract Documents' referred to in the succeeding Article.

2.0 Contract Documents

2.1 The Contract shall be performed strictly as per the terms and conditions stipulated herein and in the following documents attached herewith (hereinafter referred to as "Contract Documents").

- i) REC's Bidding Documents in respect of Specification No. issued vide its letter No. dated consisting of Invitation to Bid, BPS, Terms & Conditions of Contract, and all other Sections entitled including all amendments issued vide its letter(s) No. (s) dated

(Volume-I)

- ii) REC's Technical Specifications including Amendments issued vide its Letter No. dated
(Volume-II)
- iii) "X"s Proposal No. dated along with Bid Proposal Sheets, Data Requirements, payment terms and Work Schedules submitted by "X" entitled as "....." (Volume-III)
- iv) Agreed Minutes of the meeting held on between ----- and "X".
(Volume-IV)
- v) REC's Letter of Award No. dated duly acknowledged by "X".
(Volume-V)
- vi) Contract Schedule
(Volume-VI)

All the aforesaid Contract Documents shall form an integral part of this Agreement, in so far as the same or any part conform to the Bidding Documents (Vol. I & II) and what has been specifically agreed to by the REC in its Letter of Award. Any matter inconsistent therewith, contrary or repugnant thereto or any deviations taken by the Contractor in its Proposal (Vol-III) but not agreed to specifically by the REC in its Letter of Award shall be deemed to have been withdrawn by the Contractor. For the sake of brevity, this agreement alongwith its aforesaid Contract Documents shall be referred to as the 'Agreement'.

3.0 Conditions & Covenants

- 3.1 The scope of Contract, Consideration, Terms of Payment, Taxes wherever applicable, Insurance, Damages, Security Deposit and all other terms and conditions are contained in REC's Letter of Award No..... dated..... read in conjunction with other aforesaid Contract documents. The Contract shall be duly performed by the Contractor strictly and faithfully in accordance with the terms of the Agreement.
- 3.2 The scope of work shall also include all activities which are not specifically mentioned in the Contract documents, but which are needed for successful, efficient, way of providing inspection services unless otherwise specifically excluded in the Specifications under 'Exclusions' or Letter of Award .

3.3 Time Schedule

- 3.3.1 Time is the essence of the Contract and schedules shall be strictly adhered to. 'X' shall perform the work in accordance with the agreed schedule as given in Volume - V & VI of Contract documents [clause 2.1(v & vi) above].

3.4 Quality

- 3.4.1 The Contractor is responsible for the proper services as per the quality manual of the bidding documents.
- 3.5 It is further agreed by the Contractor that the Security Deposit shall in no way be construed to limit or restrict the REC's right to recover the damages/compensation due to short-fall in services or under any other clause of the Agreement. The amount

of damages/compensation shall be recoverable either by way of deductions from the Contract price, Security Deposit and/or otherwise.

The Security Deposit furnished by the Contractor is unconditional and the REC shall have the powers to forfeit it notwithstanding any dispute or difference between the REC and the Contractor pending before any court tribunal, arbitrator or any other authority.

3.6 This Agreement constitutes full and complete understanding between the parties and terms of the presents. It shall supercede any prior correspondence, terms and conditions contained in the Agreement. Any modification of the Agreement shall be effected only by a written instrument signed by the authorised representative of both the parties.

4.0 SETTLEMENT OF DISPUTES

4.1 It is specifically agreed by and between the parties that all the differences or disputes arising out of the Agreement or touching the subject matter of the Agreement shall be decided by the process of Settlement & Arbitration as specified in Clause 15.0 of the Terms & Conditions of Contract and the provisions of the Indian Arbitration and Conciliation Act 1996 shall apply and Delhi Courts alone shall have exclusive jurisdiction over the same.

4.2 Notice of Default

Notice of default given by either party to the other party under Agreement shall be in writing and shall be deemed to have been duly and properly served upon the parties hereto if delivered against acknowledgment or by telex or by registered mail with acknowledgment due addressed to the signatories at the addresses mentioned herein above.

IN WITNESS WHEREOF, the parties through their duly authorised representatives have executed these presents (execution whereof has been approved by the competent authorities of both the parties) on the day, month and year first above mentioned at New Delhi.

TECHNICAL SPECIFICATIONS

1.0 GENERAL INFORMATION

Rural Electrification Corporation Limited (A Govt. of India Enterprise), with its registered Head Office at Core-4, SCOPE Complex, Lodi Road, New Delhi-110003 (hereinafter referred to as 'REC') is to engage agencies for Quality Monitoring & Inspection of village electrification works including Rural Electricity Distribution backbone & household electrification under Rajiv Gandhi Grameen Vidutikaran Yojna (Name of the work). The works are being executed by Project Implementing Agencies through Turn-key Contracts generally District-wise in all the states.

2.0 SCOPE OF WORK

- 2.1 Three-tier quality monitoring is envisaged for the RGGVY projects in the 11th plan. The three levels of Quality monitoring shall be Third Party Quality Monitors on behalf of implementing agency, REC Quality Monitors on behalf of REC, and National Quality Monitors on behalf of MOP.
- 2.2 The detailed Scope of Work under various levels is specified in Quality Control Manual enclosed as a separate document. The Quality Manual shall form a part of Technical Specifications, Vol.-II. The present scope of works is for tier-II REC Quality Monitors.
- 2.3 The scope of work to be performed by the contractor as REC Quality Monitors under the contract shall include inspections at manufacturers' works, quality of execution at site, checking of BOQ at site & any other work required for completion of 2nd tier quality control in line with the Quality Control Manual. Inspection work at site shall include inspection of sub-stations, sub-transmission & distribution lines, electrified & un-electrified villages including habitations etc. in line with Quality Control Manual.
- 2.4 Wherever reference to village is invited in the document, it shall mean to include all associated habitations, hamlets, mauzas, dhanis, thandas etc.
- 2.5 Number of material inspections per project shall be taken as 6, for the purpose of bidding. The contractor shall complete the inspections on the scheduled date of inspection, which shall be intimated to the contractor 7 days in advance. RQCC shall make all efforts to issue inspection calls sufficiently in advance, however, as & when required, the contractor shall depute its' personnel for inspection at the manufacturer's works at shorter notices also. Report of inspection shall be submitted to RQCC within 7 days after completion of inspection in the format attached at Annexure-I.

- 2.6 Inspection of villages/sub-station shall be completed within 7 days of receipt of inspection notice by the engineer-in-charge of REC. The contractor shall submit the village/sub-station inspection reports as per format-D of Quality Control Manual.
- 2.7 The contractor shall re-inspect the villages after rectification of defects at site as per advice of the officer in-charge of REC. The bidder shall quote separately for re-inspection & shall be paid as per actual number of villages re-inspected.
- 2.8 Further, the contractor shall quote man-day rates for miscellaneous services to be provided during the currency of the contract. The man-day rates quoted shall include the cost of visit to site as may be required by the officer in-charge of REC.

Format for material inspection report

1. Date of inspection
2. Name of Inspection Engineer
3. Project name/no.
4. Main contractor
5. Manufacturer name/address
6. Item (including S. No. of equipment)
7. Quantity inspected
8. Result of inspection - Accepted/not accepted
9. Deviations observed
10. Status of Test report
