

**Status of Loan Applications received in Corporate Office of REC from various borrowers under Generation Category in Generation-II Division
Status Updated as on Date 31.12.2013**

Notes to the table below:

1. The status of the project follows the sequential order as given under columns 11 to 15. For schemes whose loan amount is more than Rs.20 crores but less than Rs.100 crores, the flow stops with column 14 as approving authority is CMD in such cases. The tick mark (√) placed under a particular column (11-15) will indicate the stage of the project and will also mean that the stages under the previous columns have been completed .

2. Under column 15, Competent Authority means the committees/authority designated for approval of the scheme depending on the loan amount of the scheme viz. Executive Committee (for loan amount more than Rs. 100 Cr and upto Rs. 150 Cr.), Loan Committee (for loan amount more than Rs. 150 Cr and upto Rs. 500 Cr) or Board of Directors (for loan amount more than Rs. 500 Cr.).
